As couples are leaving sexuality presentation and returning to their rooms to discuss “knee to knee” questions, pass out a bag to each couple with the following printed papers inside with candy attached (this idea works particularly well for a Valentine’s Weekend retreat when these candies are available in stores). You can also put them in couples’ rooms at the start of a marriage retreat as a welcome gift.

- a. Paper that says “Let’s make it PAYDAY more than once a week!”
- b. Let’s have MOUNDS of fun!
- c. Cupid was no AIRHEAD when he chose you as my SWEETTARTS HEARTS.
- d. You cause a total ECLIPSE (gum) of my heart!
- e. How do you like it? (Sticker placed on box of GOOD & PLENTY)
- f. Have fun with these! (Sticker placed on bag of CONVERSATION HEARTS)
- g. What puts you in the mood? Tell your partner! (green M & M’s)
- h. No excuses! Just take 2! (2 Tylenol)
- i. Before and After (little bag of HUGS and KISSES)
- j. Folded piece of paper that says “For her eyes only” on the outside. Inside it says “Challenge: Set aside time to initiate an intimate moment—ENTHUSIASTICALLY!”
- k. Attach a card with Genesis 2:24 to outside of candy bag.
